

CH-7- FROM THE WINDOW

Pg No-54

Q1 What was the differences in the scenery that Omana saw from the train on the first day and on the second day?

Ans. - On the second day, it was green field outside. While on the first day she saw the station.

Pg No-55

Q2 Omana saw many kinds of vehicles at the railway crossing. Which of them run on diesel or petrol?

Ans. - Bus, truck and a few cars run on diesel. Auto rickshaw, motorcycle, scooter run on petrol.

Q3 Why was there so much smoke and noise from the vehicles at the level crossing?

Ans. - Some vehicles did not stop engine while waiting at the railway crossing. It is the smoke from the engine that get collected.

Q4 What can we do to reduce noise of the vehicle and save petrol and diesel?

Ans - We should use silence in vehicles. Also we should stop the engine while waiting on the traffic light.

Pg No - 56

DISCUSS

Q5 Have you seen any bridges? Where?

Ans - Yes, I have seen several bridges while travelling from Delhi to other places by train.

Q6 Have you ever crossed a bridge? Where?

Ans - Yes, in Patna. Also the bridge is over the river Ganga.

Q7 What did you see below the bridge?

Ans - I saw river Ganges below the bridge.

Q8 Find out why bridges are made.

Ans - Bridges are made to help us to cross rivers and uneven areas easily.

Pg - 02

Q) Have you ever been through a tunnel?
How did you feel?

Ans. - Yes, I felt nervous while going through a tunnel.

(10) The route from Goa to Kerala has a total of 2,000 bridges and 92 tunnels. Why do you think there are so many bridges and tunnels?

Ans. - The route is full of mountains and rivers. That is why, there are so many bridges and tunnels.

(11) Imagine if on the way there had been no tunnels and bridges. How would Omana's train have crossed the mountains and rivers?

Ans. - If on the way there had been no tunnels and bridges then a train cannot cross mountains and rivers without tunnels and bridges.
