Yes, I have a pet. It is a dog. I would look after it by giving dainties to eat. I would protect it both from severe cold and scorching sun. I would take my pet to go on morning walk with me. I would get it bathed regularly.

I am, indeed, against keeping birds in a cage as pets. Birds always like emancipation, freedom and liberty. Birds do not want to lead a life of slavery as being caged. They want to fly in an open space.
