Q 1. What does Nishad find out about Mr. Nath from Ramesh?

Ans. Nishad finds out about Mr. Nath from Ramesh that Mr. Nath takes two meals everyday, one in the morning and one in the evening and two cups of tea, one in the morning and one in the afternoon. He is not very particular about what he eats, it is always the same food - two chapattis, some dal and a vegetable. He pays cash and tips well.

Q2 Why does Maya think Mr. Nath is a crook? Who does she say the Sunday visitor is?

Ans Maya thinks that Mr. Nath is a crook because he does not work anywhere but he uses to get food from a restaurant everyday. He has been living there for more than a year

but never talks to anyone. He has (2)
scars on his face. He doesn't receive
any letters and has only one visitor to
visit him.

According to Maya the
Sunday visitor must be his accomplice
in his crime and he comes there to
give him his part.

Q 3. Does Nishad agree with Maya about
Mr. Nath? How does he feel about him?

Ans No, Nishad does not agree with Maya
about Mr. Nath. He feels that Mr. Nath is
very poor and can't afford to eat. He
is starving. So, he is thin. He is not
a criminal. He is lonely and wants to
have friends.
