Poem - Trees

(1)

Subject - English

Honeycomb

Revision

Q1. What do birds do on trees?

Ans. Birds make nests on trees to live in.

Q2. How do trees help us in summer?

Ans. Trees help us in summer by giving cool shade.

Q3. Why do trees make no shade in winter?

Ans. Trees shed their leaves in winter. So, they do not make any shade.

Q4. "What a lovely picture to paint!" who says this and why?

Ans. Mothers say this because trees present a lovely scene.

Q5. Write some of the uses of trees.

Ans. Trees provide us fruits, vegetables, medicinal products, timber etc. In summer they provide us cool shade. People enjoy their picnics and parties under trees and use them for activities such as playing etc.
