

Class - VII

Poem - Trees

①

Subject - English

Honeycomb

Working with the Poem

Q1. What are the games or human activities which use trees on in which trees also 'participate'?

Ans. The games or human activities which use trees are house making, playing hide and seek, swinging, climbing, cool shade in summer, to organise tea parties, give fruits and vegetables to eat.

Q2(i) "Trees are to make no shade in winter." What does this mean?

Ans. Trees do not obstruct the sunrays in winter as there are no leaves in them. This allows free flow of light and warmth. During winter time, we need sunlight not the cool shades of trees as it is already cold.

Q2(ii) "Trees are for apples to grow on, or pears." Do you agree that one purpose of a tree is to have fruit on it?

Ans. Yes, I agree that one purpose of a tree is to have fruits on it. Trees provide fruits for us to eat.
