Class VIII

The open window It so happened
question and answer

Q1 Why did Framton rush out wildly?

Ans Framton rushed out wildly because he saw the three men and the spaniel coming towards the open window. He thought that they were the ghost of three men, as he was told by the niece.

Q2 What was the girl's explanation for his lightning exit?

Ans The girl's explanation for his lightning exit was that Framton had a horror of dogs. He was once hunted into a cemetery somewhere on the banks of the Ganges by a pack of dogs and had to spend the night in a newly dug grave with the creatures snarling and grinning and foaming just above him. And it was enough to make anyone lose their nerve.
