

Chapter - 04. A Truly Beautiful Mind.

Q. What did Einstein call his desk drawer at the patent office? Why?

Ans:- When we read this chapter then we find that Einstein jokingly called his desk drawer the Bureau of Theoretical Physics because he used to use his own theories of Relativity.

Q. Why did Einstein write a letter to Franklin Roosevelt?

Ans:- As the history and ~~also~~ this chapter prove that in Germany the Nazis had come to power. The scientists invented nuclear weapons. The Nazis could use this invention to make atom bomb. Consequently Einstein wrote a letter to President to apprise him to the extent of the destruction this bomb could cause.

Q. How did Einstein react to the bombing of Hiroshima and Nagasaki?

Ans:- In the beginning of his life he was very sentimental man. He was the worshipper of humanity. He was

deeply shocked when America used atomic weapons on Hiroshima and Nagasaki. According to him that discoveries of science must not be used for destruction. This ^{was} why he wrote an open letter to the President of America against it. He suggested ~~that~~ about the formation of the world government.
